著者:Charlotte Bretto Milliner

出版者:Grinder, DeLozier & Associates.

出版时间:November 19, 1994

装帧:Paperback

isbn:9781555520519

This book covers over 45 unique, real-life studies of Neuro Linguistic Programming (NLP) in action. It also contains many metaphores, useful for teaching, excercises, and transcripts of actual therapy work. It is well presented and potentially very useful, for personal change work. Foreward is by John Grinder, co-creator of the NLP field. Authors are quite accomplished in the field, producing a useful guidebook.
