Trilling described THE LONGEST JOURNEY as "perhaps the most brilliant, the most dramatic, and the most passionate" of E.M. Forster's works. Certainly it's the most autobiographical -- but its form confuses many. Full of sudden death, hopeless love, and quaintly doomed relationships -- and yet for all that, it's an enormously engaging work. It was Forster's own favorite of his works; he felt that in Stephen he had created a living being.

书评

福斯特的书翻来覆去看 最长的旅程 因为作者本身也是身体残疾
善意自卑的许多语句和细节 先看的是翻译版本 再看原版 两者都不错
福斯特的小说大多带有自传性质，虽然很有才华，不过总是感受到自弃之感
同性恋作家 虽然我们生活如此不同 却能奇妙的共鸣 可惜人生最后都没再写过小说
