装帧:Paperback

isbn:9781891662409

This book is the first step in a new program of Hebrew and prayer learning for adults. Students are carefully introduced to the consonants and vowels of the Hebrew alphabet. The goals include developing the reader's ability to decode Hebrew as well as grounding learners in the broader use of Hebrew in Jewish life, ritual, study, and

tradition. Along the journey students are introduced to root words, as well as siddur words and phrases.
