装帧:Paperback

isbn:9780273608325

This book has been developed to test students' knowledge of basic bookkeeping and accounting. It is specifically linked to the seventh edition of Business Accounting: Irish Edition, but is general enough in content to alongside any text in basic accounting. It satisfies two needs: for a test bank to accompany a course in accounting used throughout the course; for a source of exam-style revision material for last-minute preparation.
