Created by Takashi Okazaki, the "Afro Samurai" manga was adapted into an anime

television series which premiered on Spike TV in 2007, featuring such notable voice actors as Samuel L. Jackson, Ron Peryman, and Kelly Hu. The second season of "Afro Samurai" will air in Autumn 2008. The multi-platform "Afro Samurai" video game by Namco is also scheduled for Autumn 08 release and is expected to have a multi million pound marketing budget. In the bleak world of the swordsman, it is said that he who becomes the Number 1 samurai shall rule the world. And only Number 2 is allowed to challenge Number 1. Afro Samurai has assumed the mantle of Number 2, seeking vengeance against Number 1, a gunman who killed his father years ago. But assassins lurk at every corner, seeking to rob Afro Samurai of the title of Number 2. Can Afro survive long enough to exact his revenge?

有谁愿意引进吗，想翻译～

里面的姑娘们是你们打五星的妈

这样暴力的漫画，却有如此深刻的主题，世界观的单调也只是因为要叙述如此粗豪得剧情。张扬的画风，迅捷的分镜，就像阿飞手持长刀的刀锋划过你的胸膛，在你的心头留

下伤痕！

你的旅程这么远，没想到却像狗追尾巴。
