Now, for the first time, a pocket version of the "JPS Hebrew-English Tanakh" is available, with the same text and number of pages as the standard edition. Although smaller, the letters, Hebrew vowels, and cantillation marks are crisp and clear. Fitting easily into a backpack or briefcase, this pocket edition will appeal to students and others who need a lightweight, compact version of the popular "JPS Hebrew-English Bible". The sturdy coated paper cover, embossed in black with gold lettering, will stand up well, even with heavy use.
