Rachel Michaels is at the top of her profession, but she's grown tired of trading barbs with her co-host/ex-husband on their popular morning radio talk show. Eager to stretch her wings, she takes a second job as the color commentator for Denver's new professional women's soccer team.

Along with her new job comes an exciting assignment, travel to Venezuela to profile the team's sizzling star recruit, Miranda Gutierrez. But Rachel begins to long for a little of her old routine when her boss forces her to extend her stay to accompany team big-wig, Nora Butler, and the headstrong player on a "bonding" adventure.

Their journey gets off to a bad start, and things go downhill from there. All three women are tested mentally and physically as they fight for their lives. They must learn to depend on each other, shape their own destinies, and, ultimately, risk everything for what matters most.

What would you do to survive? How much would you risk for love?
