评论

很早就被发现有音乐天赋并得到适当培养的天才。情绪化，对感情又惯于隐忍。热爱波兰，又离不开巴黎。与李斯特、门德尔松、狄更斯、德拉克洛瓦同时代的人。

书评

Poland, the real, visible Poland of his childhood and youth, was now far away; but in Chopin's heart and mind she was destined to be transfigured, by a subtle and stealthy process, into a strange dream-country that would haunt his imagination for ever and C...
