She's been nicknamed 'The Strongest Woman in the World', but before Chun-li was a

no-nonsense Interpol officer she was a fresh recruit in the Hong Kong Police. "Street Fighter Legends: Chun-li" explores Street Fighter history and the young Chun-li's first encounter with the criminal Shadaloo organization. With her partner Po-Lin and her father (and superior officer) Dorai by her side, expect this trio to get into car chases, shoot outs, and plenty of fisticuffs as they fight their way to the truth about Shadaloo's latest scheme. This title also features appearances by Dan, Gen, Fei Long, Sagat, and more "Street Fighter" favorites.
