Join Victoria artist Robert Amos on a fascinating insider's tour of studios on Vancouver Island and the Gulf Islands where some of Canada's best-known artists do their work. Over the past 15 years, Amos has interviewed and photographed these artists from his artist and art-writer perspective. He has created stunning panoramic collages assembled from photographs detailing each artist's studio and methods. He combines these with a biography of each artist, insights into each one's artistic process and an example of one of their completed works.
