Utilizing a series of essays examining the broad philosophical concepts embedded in Rod Serling's series, *The Twilight Zone*, *Philosophy in The Twilight Zone* provides a platform for further philosophical discussion. Features essays by eminent contemporary philosophers concerning the over-arching themes in *The Twilight Zone*, as well as in-depth discussions of particular episodes. Fuses popular cult entertainment with classical philosophical perspectives. Acts as a guide to unearthing larger questions - from human nature to the nature of reality and beyond - posed in the series. Includes substantial critical and biographical information on series creator Rob Serling.
