From the acclaimed and bestselling author comes the fifth adventure of Captain Alatríste, the brooding, charismatic hero of his wildly successful Spanish swashbuckling novels ("The New York Times"). In the cosmopolitan world of seventeenth-century Madrid, with its posh theaters and gleaming palaces, Captain Alatríste and his protégé, Aigo, are fish out of water. But the king and court are keeping Alatríste on retainer as he has proved useful in the past. As a veteran with no other source of income, Alatríste chooses to remain, even as his unemployment brings him uncomfortably close to old enemies. Aigo, now a young man and veteran of the Hundred Years War, chooses to remain with his master and press his ill-fated romance

with the beautiful but sinister AngA(c)lica de AlquaA(c)zar. Alatrisme, for his part, begins an affair with the famosaand famously beautifula actress MarA-a de Castro, and discovers that the competition for her favors may be much more dangerous than head bargained for, especially when Alatrisme and AAigo become unwilling participants in a court conspiracy that could lead them both to the gallows.
