The brand-new edition of this shorter version of Barrons SAT test preparation manual presents two full-length practice tests that reflect the most recent SATs. All test questions are answered and explained. Added features include an overview of the SATs three sectionsCritical Reading, Writing Skills, and Mathalong with study advice and test-taking strategies for all parts of the test. The book contains a list of all important math facts that students need to know, and advises on how to write the required essay.
