

My First Book of Money

If your child can add numbers up to 100, and is familiar with the concept of money, then this book will build on that foundation. Use this book as a fun and easy introduction to coins and their value, which will help strengthen your child's mathematical skills.

isbn:9781933241425

Using Kumon's step-by-step, incremental approach, this workbook introduces children

to the concept of money by giving them plenty of practice working with each coin before moving on to the relationships between coins. Eventually, your child will understand the names and values of every coin worth less than a dollar. Ages 5-7.
