isbn:9780727891877

The final volume in the spellbinding Granville saga - It is 1946. The war is over, but England is still a dark and gloomy place. The Granvilles magnificent Mayfair house is a bomb site. Nevertheless, ambitious Liza Granville cannot accept that life for Englands upper classes will never be the same again. As the various members of the Granville family struggle to come to terms with their changed circumstances, family loyalties are strained and sibling relationships tested...
