This up-to-date edition of the Advanced Placement Spanish test preparation manual comes paired with three audio compact discs that offer practice and review in listening comprehension plus Spanish conversation exercises in which students must give spoken replies to questions that they hear on the recording. The manual features one full-length practice exam with its Listening Comprehension section presented on one of the audio CDs. All questions come with answers explained. Also featured in the manual are vocabulary lists and practice and review exercises. All practice tests reflect the most recent major changes in the AP Spanish test format.
