Targeted to students who only want to get into a top medical school, Kaplan MCAT

Advanced 2010 Edition challenges high-achievers with the most difficult passages and rigorous practice available. This demanding guide is filled with exercises intended to maximize students' intelligence and speed on test day. The MCAT is the number-one factor that admissions committees consider when reviewing applicants for top medical schools; this book will give test takers confidence to tackle the toughest questions with ease. No other MCAT book on the market specifically targets top MCAT students aiming for the top percentile, with only the toughest practice questions for all MCAT question types. This guide includes:

- The hardest practice sets for each MCAT subject
- The latest test information and strategies for the CBT
- Detailed answer explanations
- Focused guidelines for tackling each question type
- Time-saving study outlines for each subject
- Proven strategies for getting a perfect score
