"She lists like Hornby. She talks dirty like Amis. She has the misanthropy of Larkin and examines the finer points of sexual technique as she is adjusting the torque on a beloved but temperamental old E-type...It's hard to believe that this clever and candid new voice has no more to say. Whoever the author is, she should give up the day job. Only then will we find out what the real Belle de Jour is made of.' Independent This follow-up to the hugely successful 'Intimate Adventures' will be just as bold, funny and brilliant. Peppered with agony-aunt letters and advice, and stories from her 'working' life, it's also the story of a young woman making her way in the world - told in Belle's inimitable voice.

幕下摇身一变成为私人...
