

History of Political Theory

[History of Political Theory_下载链接1](#)

著者:George Klosko

出版者:Harcourt Brace College Publishers

出版时间:1994-01

装帧:Paperback

isbn:9780030740169

Appropriate as a primary text for history of political theory courses or as a supplement to a variety of courses dealing with ancient and medieval thought, Klosko's History of Political Theory, Volume 1, presents the essential political ideas of major theorists. The inclusion of extensive quoted material, taken from works of the dominant figures of ancient and medieval political thought, makes this text a flexible, scholarly alternative for instructors who don't require their students to purchase a library of original works. Features: * Biographical and historical information builds a context for the discussion of political theorists and their work. * Offers clear analysis of natural law, Plato's political theory, legal positivism and relativism. * Suggested readings, a chronology and a list of cited texts provides reference for students and instructors.
