The phenomenally popular "Rocketeer" by the legendary Dave Stevens is collected in its entirety for the first time as an oversized hardcover, in a beautiful slipcase, including hundreds of never-before-seen "Rocketeer" drawings and preliminaries by Dave

Stevens! This impressive collection combines "The Rocketeer" and "The Rocketeer: Cliff's New York Adventure" into a single volume, completely re-colored, as per Dave Stevens' wishes, by renowned colorist Laura Martin. The best possible reproduction and the highest production values will ensure that this is the definitive "Rocketeer" collection. Additionally, hundreds of drawings, sketches, and preliminaries by Dave Stevens, nearly all published here for the very first time, will make this a very special book.
