The fascinating story of Joshua Chamberlain and his volunteer regiment, the Twentieth Maine, is reprinted with a new foreword by Civil War historian and UCLA professor Joan Waugh. Pullen's classic and highly acclaimed book tells how Chamberlain and his men fought at Antietam, Fredericksburg, and Chancellorsville on their way to the pivotal battle of Gettysburg. There, on July 2, 1863, at Little Round Top, they heroically saved the left flank of the Union battle line. The Twentieth Maine's remarkable story ends with the surrender of Lee's troops at Appomattox. Considered by Civil War historians to be one of the best regimental histories ever written, this beloved standard of American history is now available in a new Stackpole edition. It includes maps, photographs, and drawings from the original edition.
