12 emblematic floral essences to smell, in 7 ml (0.24 fl oz) glass bottles.

* 1 olfactory exploration notebook (40 pages)

* 100 paper strips

Essences in the kit :

Carnation, honeysuckle, magnolia, lily-of-the-valley, rose, violet, mimosa, orange blossom, jasmine, ylang-ylang, iris, tuberose.

At the heart of any fragrant creation, flowers are also at the origin of our first olfactory emotions. Volume II of “Les coulisses du parfum” collection features Original blossoms, 12 floral essences that are emblematic in perfumery, and that will stir your emotions and curiosity.

Let yourself be carried away by the lovely romantic, symbolic or unexpected stories that flowers tell with their trails.

Foreword of the olfactory travel itinerary by Jacques Cavallier, Master Perfumer and designer, most notably, of L’Eau d’Issey (Issey Miyake, 1992), Jean-Paul Gaultier « Classique » (Jean-Paul Gaultier, 1993), Stella (Stella McCartney, 2003).

“Les coulisses du parfum”

A collection of perfume-themed kits to:

- Experience the pleasure of smelling!
- Discover the accords and exceptional raw materials used in the manufacturing of perfumes.
- Train your sense of smell and olfactory memory
- Develop a critical mind and a taste for analyzing odors.
