Formule X is a new, exciting wide-ability French course, written to reflect the revised

statutory requirements for the National Curriculum and the 5-14 guidelines. Differentiated student books at Level 3 offer added flexibility /Grammar explanations draw on students' knowledge and understanding of English to aid comprehension. / EXpo provides consolidation of the grammar, vocabulary and skills introduced in each unit. / TeXto: additional reading material in each unit provides extra practice to develop essential reading skills.
