It is a perfect day for doing nothing. But Percy's peaceful picnic is disturbed when a little rabbit meets with a nasty tumble into an old well. All the animals gather together with a huge rope to help pull the rabbit out. But all they tug from the well is the branch of a tree. But the rabbit has already found her own way out—through a passage under the ground ,and she's at the end of the line with the other animals lending a hand!
