Cooperation is the king! Teamwork achieves maximum results by infusing each member's talent, creativity, and energy into the given task. In today's fast-moving work environment, a team is far stronger than an individual in execution and creativity. This

book provides 24 rules and guidelines for molding individual team members into a solid and functioning group. Look at this value-packed book to learn how to: Forge a team that can make a difference and achieve great performances; Eliminate rivalries and focus on solving problems or challenges at hand; Handle the conflict well and drive for better results; Inspire creativity. This book shows you how to build a great team, working with individual member as well as the collective team to produce creative, consistent, and decisive results.
