著者:[英] 乔治·奥威尔

出版者:Penguin

出版时间:2004-9-2

装帧:Mass Market Paperback

isbn:9780141019000

Throughout history, some books have changed the world. They have transformed the way we see ourselves - and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives - and destroyed them. Now Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization, and helped make us who we are. Whether puncturing the lies of politicians, wittily dissecting the English character or telling unpalatable truths about war, Orwell's timeless, uncompromising essays are more relevant, entertaining and essential than ever in today's era of spin.
