Twelve-year-old Joe Warden isnat happy. Sure, heas rich, but his parents donat care about him. His grandmother should make everything better, except that Joeas granny is a nightmare. Sheas not just physically repulsive, sheas horribly mean. Everyone thinks sheas just a dotty old woman, but Joe knows the truth. Heas seen behind her mask and glimpsed the wicked glimmer in her eyesashe is pure evil. And now sheas out to get Joe, unless he can stop her and her band of nasty grannies first.
