Aphra Behn Connolly has the type of life most teenage girls envy. She lives on a remote tropical island and spends most of her time eavesdropping on the rich and famous. The problem is that her family's resort allows few opportunities for her to make friends - much less to meet cute boys. So when a smoldering Seth Mulo arrives with his parents, she's immediately drawn to him. Sure, he's a little bit guarded, and sure his parents are rather cold, and okay he won't say a word about his past, but their chemistry is undeniable. Then a famous rock star's girlfriend turns up dead on the beach - strangled by her own bikini top - and alarm bells sound. Is it too great a coincidence that Seth's family turned up just one day before a murder? As the plot thickens, Aphra finds that danger lurks behind even the most unexpected of faces...
