A Frankenstein who shops at the grocery store. A ghost who's afraid of ghosts. A witch with a turbo broomstick. These are just a few of the quirky ghouls and goblins children will meet in this playful picture book brimming with holiday cheer. Joan Horton's silly, spooky poems and JoAnn Adinolfi's whimsical illustrations capture the spirit and excitement trick-or-treaters expect on Halloween. So this year, give a giggle and a shiver for "Halloween Hoots and Howls"
