Stanley Wells is an ordinary boy, who happens to be quite curious. His friends are the mysterious Dr Moon and his canine companion Morcambe. Together they seem to

stumble upon strange happenings and trip over mysteries that just need solving...Stanley is sleeping in the caravan at the bottom of the garden of his new house. He awakes at the sound of an odd whoooooomphing noise and goes to investigate. There appear to be new trees in the garden...very odd. And now his mum and the twins are missing - could these things be connected? And what about Jim, the old man who lives in the woods with his parrot, telling tales of the sea? Could he be involved somehow? Dr Moon is the only person who can help Stanley with this puzzle and luckily he's on his way...
