Cringe, laugh, and cry with Ruby Oliver as she learns to deal with boys, best friends, and her panic attacks!

Join Ruby Oliver at the start of her junior year at Tate Prep as she confronts:

- the secret about Noel
- mysterious notes from Jackson
- the interpretation of boy-speak
- the horrors of the school trip
- new entries in The Boy Book

There are Fruit Roll-Ups.

There is upper-regioning.

There are so many boys to choose from!

And there are penguins.

Only Ruby can keep her readers on her side even as those around her wonder, What is she thinking?!
