No reading, no writing, no problem! 140 minutes of German to help you speak German

now Join Nina, Stefan and Alex for 24 hours in Hamburg: listen to real German and learn how to find a place to stay, get around town, order in restaurants, hit the shops, have a drink, enjoy the night-life...and all the time build up your German so that you can speak with confidence. Designed specifically for those of you who don't have much time on your hands, Quickstart German is a quick and simple introduction to German. With no reading and no writing required, it concentrates only on the essential language required for a short break abroad. The course is broken down into short, relevant, easy-to-learn categories, allowing you to grasp the basics of German, without having to master any complicated grammar or phrases. Audio *Each section gives you time to listen, followed by time to reflect with a step-by-step explanation of the dialogue, and finally time to practice and recap *Conversations between friends introduce you to a range of weekend-break scenarios, ensuring that the language you learn is relevant to your needs 2 x 70-minute CDs, and a booklet containing tips and dialogue transcripts
