An ideal introduction to the language and culture of Russia, Russian Language and People is an integrated multi-media course for beginners. As well as teaching you to communicate in and understand Russian, this course provides an accessible

introduction to the written language. There are also plenty of fascinating insights into modern Russia and traditional customs. Whether learning at home or in a class, Russian Language and People can help you to reach the equivalent level of a first qualification, such as GCSE. Course Book\* Fully revised third edition includes up-to-date cultural information about life in Russia \* Introduces useful new language in a relevant context \* Entertaining and informal approach makes learning enjoyable 192-page course book
