Farmer Brown is going on holiday and so he asks his brother, Bob, to take care of the animals. 'But keep an eye on Duck. He's trouble.' Bob follows the instructions in Farmer Brown's notes exactly to the letter. He orders pizza with anchovies for the hens,

bathes the pigs with bubble bath, and lets the cows chose a movie. Is that giggling he hears? The duck, the cows, the hens and the pigs are back in top form in this hilarious follow-up to 'Click, Clack, Moo: Cows That Type'.
