Would you like to touch a star? This touch and feel novelty book for the very young allows the child to discover textures of various shaped objects. One of a series of "Touch and Feel" books "Shapes" features full-colour photographs accompanied by tactile patches to encourage the child to explore through touch. Touch and feel your way through this rough smooth silky shapes book. Tough and sturdy for little hands to hold the simple text and bright pictures make the books ideal for a parent and child to share.
