Lulu's older brother says she is too little to play with him. Her mama and papa are busy too, so Lulu has to make her own fun. This is a situation for Ladybug Girl! Ladybug Girl saves ants in distress, jumps through shark-infested puddles, and even skips along the great dark twisty tree trunk—all by herself. It doesn't matter what her brother says, Ladybug Girl is definitely not too little! In this sweet and cheerful story by husband and wife team Jacky Davis and David Soman, one not-so-little girl discovers how to make some fun that is just her size, right in her own backyard.

很有趣的童书，谁说我小，我比你大呢。看我自己完成了多少事情，找到了多少乐趣
