The squid that charmed a nation is back . . . and heas making a big mess Not only is this irrepressible squid the biggest thing ever, heas also the best artist in the entire ocean. He squirts ink, for goodnessa sakes, and there arenat many animals in the ocean who can do that This squid is making a masterpiece that is sure to wow his fellow fish. But perhaps they arenat as pleased as he would think? The giant squid that garnered starred reviews from Publishers Weekly and Kirkus for his larger-than-life performance in Iam the Biggest Thing in the Ocean is sure to delight fans with this lively and fresh follow-up that includes a double gatefold spread featuring the squidas impressive artwork
