Take a romp into the past and meet the dudes who made history happen. Thousands of years ago, a mighty civilisation flourished on the banks of the River Nile. Its people built incredible pyramids and temples, worshipped their kings and queens as gods, and used tortoise brains as a cure for eyesight problems. Come face-to-face with a wig maker who reveals the bald truth about hairstyles, visit a gang of tomb raiders who'll show how they stole incredible treasures and join troublemaking Pharaoh Akhenaten

who explains why he tried to change everyone's religion. Illustrated by Rich Cando, creator of "Star Dudes". History just got hilarious.

用词口语化的埃及绘本，语言很幽默，内容浅显但是涉及面很广很有意思。大人小孩都很适合读一下
