Your holiday starts the moment you open the guide...'The best guide available. Packed to the brim with colour photos, maps and essential information' - Amazon Reader review. If the word Denmark conjures up fairytale villages straight out of Hans Christian Andersen, castles where Hamlet might have lived, and dramatic Viking ruins, then this is the perfect guide for you. Using the unique cutaway maps and 3D models visit lovingly-restored colourful historical buildings, palaces and gardens. With superb colour photographs, detailed maps and illustrations, the "Eyewitness Travel Guide" explores the museums, cafes and bars of Copenhagen, as well as the delights of the Danish countryside. Full-colour maps, city plans, thematic tours and walks enable you to explore the capital and the regions in-depth and specially chosen restaurants and hotels will ensure that you have a perfect holiday. This book is winner of the "Guardian" & "Observer" 'Best Guide Books' Award and "Wanderlust Magazine" Silver Award for 'Top Guidebook'.
