When rejection comes back to bite you... Jordan's life sucks. Her boyfriend, Michael, dumped her, slept his way through half the student body, and then killed himself. But now, somehow, he appears at her window every night, begging her to let him in. Jordan can't understand why he wants her, but she feels her resistance wearing down. After all, her life -- once a broken record of boring parties, meaningless hookups, and friends she couldn't relate to -- now consists of her drinking alone in her room as she waits for the sun to go down. Michael needs to be invited in before he can enter. All Jordan has to do is say the words....
