Meet Amelia Louise McBride. She's nine years old, a former New Yorker who's now living in a small town after her parents decided to get divorced, and dealing with everything from being the new kid in school to getting her first kiss. But you know what? She's got her mom and her aunt Tanner (who happens to be an ex-rock star) and her friends Reggie, Rhonda, and Pajamaman, and everything's going to be okay. Except, of course, when it isn't. In this first book of Amelia's adventures, Amelia and her friends take on bullies (and Santa!), barely survive gym class, and receive a disgustingly detailed explanation of the infamous Sneeze Barf.
