Atticus the Storyteller is determined to take part in the great Storytelling Festival near Troy. He leaves his family in Crete and sets off on a year-long journey round Greece with his donkey, Melissa; and wherever he goes he tells his favourite myths to anyone

who'll listen. The 100 myths include all the favourites, such as the wanderings of Odysseus, the labours of Heracles, the stories of King Midas, Daedalus and Icarus, and Theseus and the Minotaur. Atticus's journey takes the reader to all the sites of the myths and gives a captivating glimpse of how life was lived in Ancient Greece. This is an unparalleled introduction to the Greek myths for younger children, excitingly told, wonderful to read aloud, and illustrated on every opening with lively, engaging, colourful pictures full of authentic detail. In Orion's tradition of extra-large great-value story books, this is an outstandingly good resource for every family.
