The dark elves are feared throughout the Old World for their evil, savage ways, yet one member of this despicable race stands out for his treachery and cunning – Malus Darkblade. Having been possessed by the ancient daemon Tz’ arkan, dark elf Malus Darkblade is faced with a stark choice – recover five items of unimaginable power within one year or forfeit his soul for ever!

This volume tells of Malus’ s quest to find the first artefacts, pitting him against monsters, magic and even his own kin in three magnificent tales of dark fantasy.

This omnibus edition contains "Blood Price", a new short story featuring Malus, and an interview with Dan and Mike about where the idea for Malus Darkblade came from and how it has developed.
