A journey of discovery through the mists of time to unravel the myths and mysteries of the Arthurian legends.

The enduring myth of Arthur, the once and future king, has been the subject of romances and tales of valour since the Middle Ages, becoming entwined with the quest for the Holy Grail and its meaning. In this straightforward A to Z guide, you will discover the truth behind many of the key characters, places and stories.

- Who was King Arthur?
- Where was Camelot?
- Was there a Round Table?
- What was the Holy Grail?
- Did Excalibur exist?
- How did the legend of Merlin evolve?
- Who wrote the original tales?
