"100 Great Kitchens & Bathrooms: By Architects" examines the role of architects in creating comfortable, visually pleasing and functional kitchens and bathrooms. This title features a stunning collection of recent interior projects examining the vast array of styles adopted by architects around the world, particularly in the UK, US, Australia, New Zealand, Germany, Slovenia and Brazil, in the search for that perfect balance between luxury and function. This book includes full-colour photography and descriptions of each design by the architects themselves, providing a unique insight

into the craft of the featured architects. "100 Great Kitchens & Bathrooms: By Architects" is the essential illustrative guide to the design of some of the world's most spectacular, yet functional interior designs.
