Sailing enthusiasts will delight in this treasure trove of images and facts about the world's most spectacular sailboats. The three-dimensional format of White Star's CubeBooks is ideal for showcasing sailboats from a variety of perspectives. From luxury

yachts to trim ships, this handsome, hefty little compendium spotlights a vast range of sailing’s most stunning craftsmanship. Close to 500 photographs portray the excitement of the world’s legendary regattas in some of the world’s most stunning seascapes. Enthusiast’s will also appreciate the photographer’s eye focused on these vessels’ surprising and beautiful details, as well as the informative captions accompanying them.
