A fast and effective way to learn basic foreign language words and phrases, Berlitz Travel Packs help travelers acquire more than 3,000 key "survival" phrases that will make their trips more successful and comfortable. As part of a meticulous updating program, our most popular languages have been newly revised and recorded to meet the needs of today's business or leisure travelers. Completely portable, they include

the best selling Berlitz Phrase Book and an audio recording CD. The audio materials, all recorded by a variety of native speakers, review and reinforce the many phrases, dialogues, and vocabulary of the text. This popular listen and repeat method can also be used independently of the phrase book. Up-to-date usage, helpful cultural tips, and mini-dialogues of typical travel scenarios make Travel Packs the sensible choice for learning foreign words and phrases. Author: Berlitz Publishing
