Threatened by barbaric horsemen from the north, a village of peaceful harvesters must choose between two powerful women for their high priestess to the Great Goddess--and decide the fate of every generation to come.... Praise for Secrets of the Ancient Goddess: "An absorbing novel filled with ritual, romance, adventure, and magic. This is a highly entertaining novel that bears witness to the importance and enduring power of female spirituality."-- Mary Mackey, author of *The Year the Horses Came*"Fascinating...compelling."-- Joan Wolf, author of *The Daughter of the Red Deer*"Vivid, magical...one of the genre's most entertaining novels of the year."-- Painted Rock Reviews"\_intriguing!"-- Eugene Register Guard
