The legal rights of Americans are threatened as never before. In *No Contest*, Ralph Nader and Wesley J. Smith reveal how power lawyers--Kenneth Starr perhaps the most notorious among them--misuse and manipulate the law at the expense of fairness and equity. Nader and Smith document how corporate lawyers

File baseless lawsuits

Use court secrecy to their unfair advantage

Engage in billing fraud

Nader and Smith sound the warning that this system-wide abuse is eroding our basic legal rights, and propose a positive, commonsense vision of what should be done to reverse the corporate-inspired corruption of civil justice. Timely, incisive, and highly readable, this is a book for all citizens who believe that prompt access to justice is the backbone of democracy, and a precious right to be reclaimed.
