Growing up with his mother in Germany, Peter Debauer knows little about his father, an apparent victim of the Second World War. But when he stumbles upon a few pages from a long-lost novel, Peter embarks on a quest that leads him across Europe to the United States, chasing fragments of a story within a story and a master of disguises who may or may not exist. Homecoming is a tale of fathers and sons, men and women, war and peace. It reveals the humanity that survives the trauma of war and the ongoing possibility for redemption.
